THE ENERGY HAS BEEN SPECIALLY DEVELOPED TO AVOID ANY SKIN

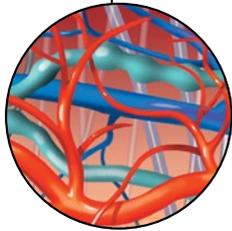

“My practice has been using BTL Cellutone in conjunction with BTL Vanquish ME for treatment of both the abdomen and thighs. The patients feel comfortable and therapy delivers circumferential reduction very fast. The treatment is also incredibly well tolerated and one that patients actually enjoy.”

Annie Chiu, MD

INCREASED BLOOD SUPPLY

WASTE ELIMINATION

FIBRES REMODELLING

DAMAGE WHILE PENETRATING INTO THE TREATMENT AREA

“Cellutone has not only accelerated results seen with our body contouring devices (BTL Vanquish ME and BTL Exilis Ultra), but it has also improved rhytidectomy and liposuction results. Lymphatic drainage is rapidly improved to allow rapid healing following surgery.”

Suneel Chilukuri, MD
